

2022 IS A YEAR FOR THE FAMILY

**REVIVAL - RECONCILIATION - REJUVENATION -
RESTORATION**

Difference between a contract and a covenant – Our marriage as a Christian is a covenant marriage but too many people are mistakenly making them as contracts.

A covenant view of marriage is rooted in the selfless commitment to love and serve your spouse regardless of what you get in return.

A covenant marriage is a firmly committed promise to love, even when our spouse is less than lovable, and even when they are less than loving towards us.

A contract based relationship is where you want maximum output for minimum input. its a relationship where you are protecting your rights and limiting your responsibility.

And voids can be created because of the wrong foundation or Idea God has intended for marriage.

God's design of marriage and family is to reflect and reveal something to those who do not yet know Him

GEN1v1 *In the beginning God created the heavens and the earth.*

IN THE BEGINNING GOD; ANY LASTING FRUITFUL BEGINNING HAS TO
BE WITH A GOD FOCUS AND CENTEREDNESS

He created the Heavens and the Earth - note order Heavens first to bring order to the chaos or the "EMPTINESS OR VOID (THE DARKNESS) OF THE SITUATION you must realise it starts in the Heavens - YOU DO NOT FIGHT FLESH AND BLOOD I MUST UNDERSTAND TO SEE CHANGE OF THE NATURAL ATMOSPHERE - I FIRST GOT TO CHANGE THE SPIRITUAL ATMOSPHERE..

V2. GOD TAKES A SPIRITUAL ASSESMENT OF THE LACK AND VOID THAT WAS PRESENT AND BUILT WHAT IS LACKING IN THE HEAVENLIES

GOD DID THIS BY SPEAKING

GOD DIDN'T SPEAK OF THE "HOW" THE VOID CAME ABOUT OR "HOW" DARK THE DARKNESS IS, HE SPOKE THE SOLUTION TO THE LACK OF LIGHT

God said let there be light, this light was not the natural light of the sun and the moon they were created on the 4th day, this light is the light of His Spirit, His word, the Light of His glory, in my life and my marriage then filters down to my family.

Its this light that must be established to overcome the lack, the void and the darkness in the atmosphere.

Its this light of His word in ones situation that divides the light of the truth from the darkness of opinion, self righteousness, dark feelings and perceptions....

HIS WORD MUST REIGN HIS WORD IS THE CREATIVE POWER OF
CHANGE HIS WORD MUST RULE OVER MY DARKNESS ITS HIS WORD
THAT MUST BE WELCOMED INTO YOUR ATMOSPHERE AS “GOOD” IN
THE MIDST OF AN ENVIROMENT THAT MIGHT FULL OF DARKNESS
AND VOID (EMPTY OF LIFE)

ITS ONLY WHEN AND WHAT HE SPEAKS THAT BRINGS CHANGE
FROM EMPTINESS AND DARKNESS
TO LIGHT SUBSTANCE AND FRUITFULNESS

V9 There was a dividing or a “separating” of the waters from the waters above from the waters beneath - wisdom of man and mans ways and Gods mindset and His ways,. When one allows His ways to become my ways His mind to become my mind, there's a separating and a revealing of the hidden and a removing of the murkiness that without separation brings into ones atmosphere. - But when one decides to drink and eat of the firmament from above it develops and reveals a “PLACE OF POTENTIAL GROWTH”

A PLACE WHERE NOW SEED CAN BE PLANTED A PLACE WHERE IT
WILL RECEIVE THE SEED... IT GIVES ME THE ABILITY TO SEE
SOMETHING MORE THAN BEFORE

REMOVE THE MURKINESS the mixture And bring a separation of the
waters (Isa1v25) - HIS TRUTH - not yours not your opinions not your
rights not your justification BUT HIS TRUTH . HIS WORD IS SEED
(Luke8v11)

AND our words are seed so what I've got to make sure of is
WHATEVER FRUIT I WANT TO REAP AND PARTAKE OF I HAD BETTER
SOW.

V11—DON'T DESPISE THE DAY OF SMALL BEGINNINGS (Zech4v10) - GRASS AND HERBS BEFORE THE TREE— to many people miss the fruitfulness of the grass and herbs in someone's life because I'm too focused on wanting desiring and expecting A TREE, celebrate all fruitfulness because like the herb it can bring huge CHANGE TO what its added to.

V14 Develop a lifestyle that brings a distinction? That my life is a sign for others to see (Isa8v18) This light is not affected by the seasons of life, but rather affects the season that is dominating my life.

V20 The environment created by His word has the capacity of fruitfulness out of nothingness He saw potential even though it was empty and void. God see's and speaks fruitfulness WHAT DO I SPEAK..

ALL THIS WAS CREATED AND DEVELOPED TO HOUSE THE FIRST
FAMILY

WHAT ATMOSPHERE AM I CREATING AND DEVELOPING FOR MY
FAMILY? -
